

Map, directions & parking

Newquay Reformed Baptist Church

For Google maps and more directions, see our website: www.newquaybaptist.org.uk

Address:
Chapel Hill,
Newquay,
Cornwall

SAT-NAV
= TR7 1ND

Our church is in
the centre of
Newquay.

If you see the
railway station
and Burger King,
you're at the
other end of
town, about 15
mins' walk away.

Our building is hard to find so it may be useful to print and bring this map with you.

Finding us

We're **behind the cinema** — in Chapel Hill. It's possible to drop off car passengers outside the church gate but there's no easy parking, so it's best to park nearby and walk.

Parking

Car parks: These are shown on the map and cost about £1.30 per hour.

Free on-street parking: It's worth trying St Johns Road, Jubilee St, St Cuthberts or St Marys Rd.

Out of season parking: Newquay relaxes its rules between Oct 1- April 30 so you can park in many roads that have yellow lines. Check nearby signs to be 100% sure.

Look for the gates

The church entrance is easy to miss when you're walking up the hill. But get to the top and look down Chapel Hill and you'll probably see the gates and the entrance **on the left!** (Apologies for the glare in this photo. It was a very sunny day.)

Don't worry ...

If you struggle to find us and you're running late, don't worry. Many people have exactly the same problem and arrive some time after the service has started. Please don't feel embarrassed if this happens. We understand completely – and it's just nice to have you with us!
